Message from your Board

The board would like to thank all volunteers who helped the club over the past year. No matter how big or small you saw your contribution, your time given was very much appreciated. As those who have provided the club with a current email address know, the club now has a PayPal account, which allows us to accept credit cards as a form of payment, via our website. This was much harder to set up than anticipated, but with the efforts of Martha Lacko and Greg Dutson, it is up and running. And in other news, Barrie Brinkworth has allowed us to put his name forth as our temporary, interim President.

Very early in 2008, please watch your mailbox for a voting form which will be mailed to all Regular (non-provisional) members. This is for voting on the proposed bylaw amendments that were published in the last printed issue of the newsletter. If any of the amendments are approved by the membership (which requires a 3/4 majority of ballots returned), the next step is to have our amended bylaws approved by the Minister of Industry. Once thus approved, the new bylaws will come into force at the next AGM.

2008 is also an election year for Vizsla Canada. Frank Lacko is the chair of the election committee and he will be preparing his committee for that task in the coming months. Please consider giving some time to the club as a member of the board of directors. For latests minutes go to www.vizslacanada.ca

Message from your New Editor

First I suppose I should re-introduce myself. My name is Lori Vickerman and I live in Calgary Alberta with my wonderful 2 1/2 year old Vizsla boy named Loki and a 5 year old Labrador retriever cross named McBain. Despite spending the last 2+ years doing research for my Master's thesis I've managed to become very involved in field work and conformation and have been dabbling in obedience and agility as well. I have discovered that I enjoy the field stuff much more than I thought I would and it has become my passion over the last couple of years.

An era in the Vizsla Canada history has ended; Martha Lacko's incredible newsletter is being slowly taken over by me. As Martha said in the November newsletter I am now the editor and Martha will continue to be the production coordinator. I am very excited about taking over the newsletter and I have lots of great ideas for articles and features. I know you have heard this a million times but we can't do this newsletter without submissions from our membership. We love your stories, pictures and articles so please send them to me at l.vickerman@ucalgary.ca to be included in future newsletters. All advertising and website e-brags are still to be emailed to Martha Lacko - martha.lacko@gmail.com

My goal is to get a minimum of 6 informative newsletters to you a year alternating between **e-news** and mailed out newsletters containing club information and articles on show, field, obedience, agility, conformation, health and stories about member's dogs just being wonderful pets. I really encourage you all to e-mail me not only with articles and pictures but also ideas about things you would like to see in the newsletter. If you are members of other breed clubs and you like what they are doing with their newsletters let me know!

I am very much looking forward to all the great information and help I will be receiving from all of you and all the wonderful stories and pictures too!

Happy Holidays!

Lori Vickerman

2007 Breeders Directory

In order to be listed on the Vizsla Canada Breeders Directory, the breeder must be a Regular or Life Member in good standing of Vizsla Canada, to prevent backyard breeders from joining Vizsla Canada for the sole purpose of using our club to sell puppies. The breeder must also agree to the following conditions:

All breeding stock must be certified clear of hip dysplasia by OFA, OVC, PennHIP or other certifying institution approved by Vizsla Canada. If the breeder is a Canadian resident, breeding stock and puppies must be registered with the CKC. If the breeder is not a Canadian resident, breeding stock and puppies must be registered in a stud book recognized by the Canadian Kennel Club. The breeder agrees to be responsible for all puppies he has bred and to accept their dogs back from buyers who are no longer able to keep them.

The persons on this list have paid to have their name advertised here. This list is not a comprehensive list of Vizsla breeders in Canada. Inclusion on this list does not imply that these breeders are better than those not listed.

If anyone has reason to believe that a breeder listed is not complying with Vizsla Canada breeders list requirements, please notify the correspondence secretary of the Club. Vizsla Canada does not rate, recommend or endorse breeders, kennels, or their breeding stock. Buyers should investigate breeders and sellers before making a purchase. To assist in this decision, use the [Vizsla Buyer's Guide](http://www.vizslacanada.ca/breeders.htm) available on <http://www.vizslacanada.ca/breeders.htm> web site. Please help us stop puppy mills.

Click on the link above to display breeders listing.

Apology from the editor:

In the last printed newsletter, breeders from Nova Scotia, USA and Australia were omitted from this list. This was caused by a formatting error and has nothing to do with their standing with the Vizsla Canada. I am solely responsible for this omission. I am very sorry about that and I apologize.
