

## **Membership Committee Report**

**October 12, 2005**

This is report on memberships for the upcoming AGM meeting on October 29, 2005.

As of October 10, 2005 we have now 142 Vizsla Canada Members. These include both provisional and regular members.

Here is a breakdown by provinces:

5 Quebec, 47 Ontario, 2 Atlantic Region, 16 Western Region, 41 BC Region,  
28 USA and 3 European Countries.

41 New Members joined for 2005. With 2005 being a very good year for puppy litters we can hope that the list will keep getting bigger and that breeders will suggest to their puppy buyers to join our club.

On a final note, thanks to Laura mail out last month and inserting the 2006 membership renewal forms we have received 15 renewals so far and 2 breeders renewals as well. In the next month I will be contacting the rest of the members by e-mail or telephone and reminding families of there renewals for 2006.
